令和6年9月】

The image consists of two main elements. On the left, the text "2 / 8" is displayed in a large, bold, sans-serif font. To the right of this text is a compass rose. The compass rose is circular with a thick black border. Inside the border, there are eight points representing cardinal and intercardinal directions: North (N), South (S), East (E), West (W), Northeast (NE), Northwest (NW), Southeast (SE), and Southwest (SW). Each point is marked by a short line segment and a small triangle at its end. The letters N, S, E, and W are positioned outside the circle, while NE, NW, SE, and SW are positioned inside.

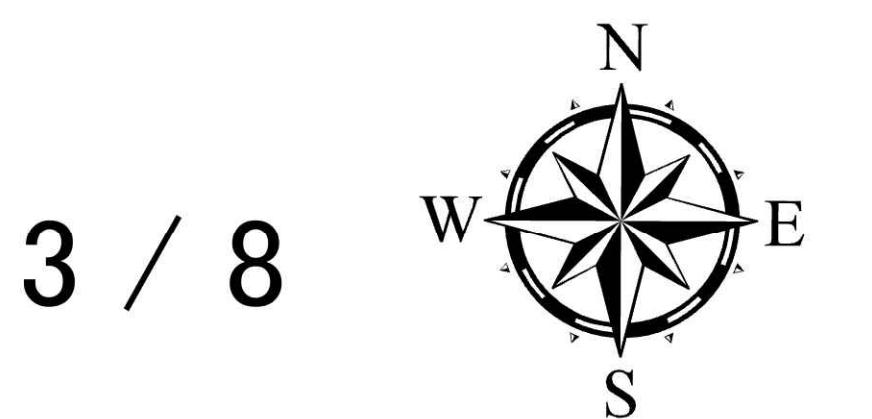

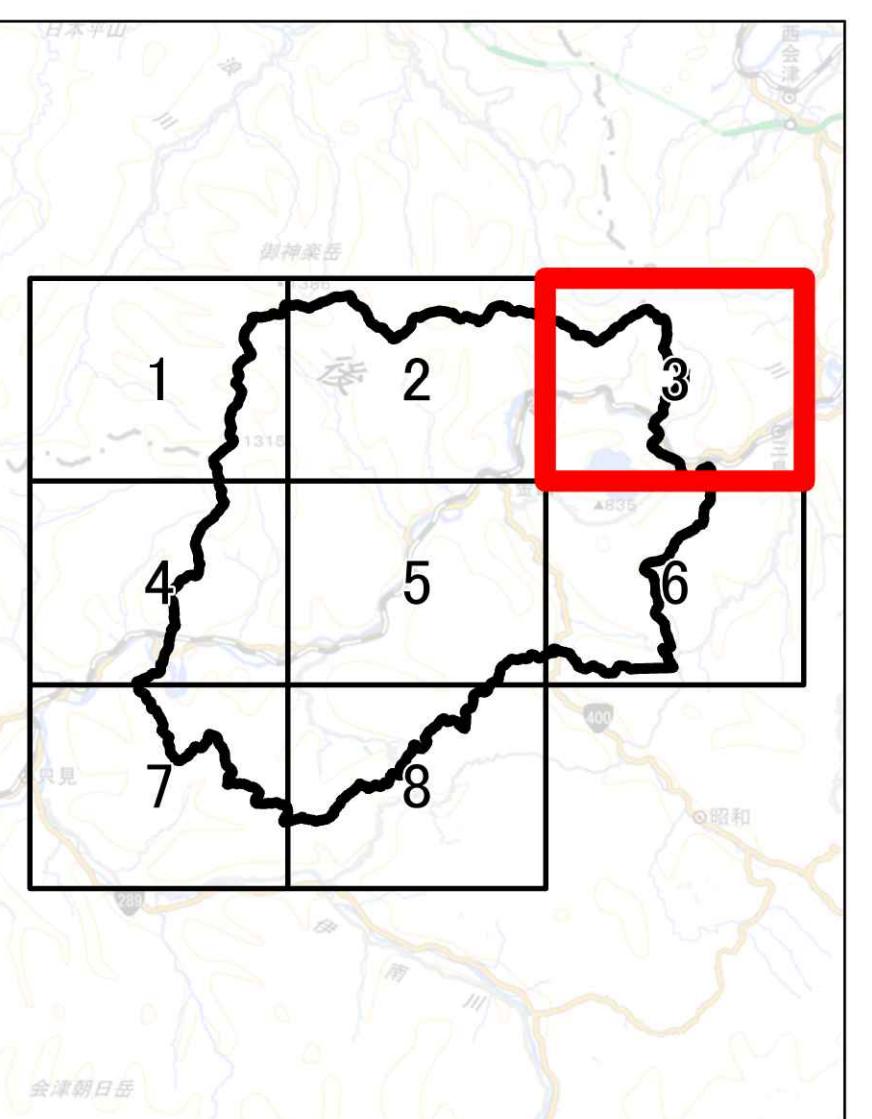

This figure is a map of a specific area, likely a proposed site for a facility. It includes several key elements:

- Scale Bar:** A horizontal scale bar at the top indicates distances up to 1,000 meters, with major tick marks at 0, 250, 500, and 1,000 m.
- Legend:** The legend identifies three types of regulated areas:
 - 市町村界** (Municipal Boundary): Represented by a black-outlined rectangle.
 - 宅地造成等工事規制区域** (Regulated Area for Residential Land Development, etc.): Represented by a pink rectangle.
 - 特定盛土等規制区域** (Regulated Area for Specific Earthwork, etc.): Represented by a light blue rectangle.
- Proposed Site:** A large, irregularly shaped area outlined in red is centered on the map, representing the proposed location.
